2 / Studio Manifesto

To start us off, it's important to us at Ark Dance Academy that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers, and staff members at our studio, and it is the driving force behind every interaction with our students and their families.

Ark Dance Academy is a place where kids of all ages, shapes and sizes learn to dance and perform. This is a studio where creativity, individuality and self-expression are encouraged and has a community of teachers, students and families who are passionate about performing arts. Our goal is to create a positive and happy experience for all our students. We strive to nurture and develop talent, celebrate the achievements of all students, and inspire a love and appreciation of all styles of dance and the arts. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable, and free to express themselves.

We strive to provide exceptional coaching and leadership while instilling the importance of etiquette, self-esteem, and positive body image.

We believe in an inclusive studio with a focus on community, growing and developing in mind, body, and soul through a life-long love of dance.

We are committed to learning in all forms, our teachers have extensive knowledge in dance training, anatomy and mindfulness and work with a passion to help each dancer become all they can be, in and out of the studio.

We promise to create a space of genuine acceptance through respect, knowledge, kindness, and love.

3/ Registration

Before slipping on those dance shoes, it is important that all students and/or parents – whether returning or new - login to the parent portal, read and sign the Studio Release Waiver, ensure your dancer/s are registered in their chosen classes, and ensure we have the most up-to-date contact details for you. Please also provide us with an emergency contact other than a parent/guardian.

To sign-in to the Ark Dance Academy Studio Director Parent Portal, click on the link provided and re-set your password using the email address that you used to register.

<https://app.thestudiodirector.com/arkdanceacademy/portal.sd>

Our annual, non-refundable registration fee for full year students is \$50 per student/per family and for 12 week sessional students is \$25.00 per student/per family and must be paid in full when registering your student/s. Make sure you get your payment in via e-transfer to arkdanceacademygp@gmail.com or via credit card as failure to pay your registration fee in time may result in losing your place in the class.

We encourage all of our students and families to try a variety of dance styles and we are more than happy to accommodate trial classes for existing students who are wanting to try something a bit different. (Trial classes will commence in September 2023). Please contact us if you would like to try a new class and we will happily schedule a quick meeting and fit you in for a trial (provided the class has not reached capacity).

At Ark Dance Academy we are offering a referral program! If you refer a friend or family member, who has not previously enrolled at Ark Dance Academy, we will credit your account \$50.00 if they register in a full year program and \$25.00 if they register in a sessional program!

6/ Code of Conduct

To ensure the smooth, safe running of Ark Dance Academy and an enjoyable experience by all, below you will find our code of conduct. As always, we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please give us a call to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

All that we do will be rooted in our Core Values: Love, Respect, Knowledge, Kindness, and Perseverance. At Ark Dance Academy we expect that all students, parents, faculty, and staff embody and embrace these values and behave in a manner that is consistent with said values.

No classes (including private lessons) or teachers are to be disturbed during a class unless it is an emergency. Parents are not to approach teachers or students during class and if messages or food/drink/medication needs to be passed on to a student, it must be done through an Ark Dance Academy staff member. All parents must wait in the waiting areas or outside of the studios until classes have been dismissed.

Any questions, concerns or complaints must go through the office staff or one of the Director's – parents and students are not permitted to contact Ark Dance Academy teachers via phone, in person, or via email/social networking with studio issues unless it has been broached with the Director's first. Personal meetings with the studio Director/s can happily be arranged via the office.

In the rare case of a parent or student showing disrespect or defamation to any parent, staff member or student, a meeting will be called immediately, and dismissal may be considered at the discretion of the Directors. Physical, mental, emotional, or cyber bullying by parents, staff or students will not be tolerated and may result in dismissal from the studio.

7/ Age groups

Ballet – For Students 3 and up

Ballet has been around for centuries. Its technically driven movements and performance evoke a feeling, theme, or tell a story. Many different variations and styles have developed within the ballet genre including classical ballet, romantic ballet, neoclassical ballet, and contemporary ballet. Our studio's core focus is with the Royal Academy of Dance syllabi and developing choreography that spans romantic to contemporary ballet styles.

Jazz – For Students 6 and up

Jazz dance has been ever evolving and one of the most popular genres of dance today! Our jazz classes layer jazz style over traditional ballet in a fun, upbeat, and dynamic class. Our studio focuses on the roots and technique of jazz dance with the Canadian Dance Teachers Association Jazz Syllabus. Class will always begin with a warm-up of strengthening, stretching, and conditioning, followed by across-the-floor exercises and center exercises focusing on various steps, jumps, turns, and combinations.

Tap – For Students 3 and up

Tap dance is a high-energy style of dance where rhythm, style and technique are combined to let your feet make the music. Tap dance helps to develop excellent coordination skills and musicality that carry over to all other dance styles. Our studio focuses on the Canadian Dance Teachers Association Tap Syllabus to guide you through tap history, technique, and percussive based combinations.

Lyrical – For Students 8 and up (must be enrolled in Ballet AND Jazz and have 1 year previous ballet training)

Lyrical is a blend of ballet and jazz technique with components of acro and modern dance. Our lyrical choreography is an emotional style that illustrates the lyrics or theme of a song through dance movement.

Contemporary – For Students 10 and up (must be enrolled in Ballet AND Progressions & Technique)

Contemporary dance is a blend of ballet and modern movement with components of acro and jazz strength and agility. Its abstract telling of a story or theme can be accomplished with or without lyrics of a song and has become one of the most popular genres in dance today.

Modern – For students 8 and up (must be enrolled in Ballet)

Created from European and American styles of ballet, folk, and religious dance, Modern dance pioneers went against the conforms of ballet and developed a freedom of expression not available through ballet. Our studio follows the CDTA Modern syllabus that incorporates techniques from some of the foundational modern dance leaders.

Acrobatic Dance – For students 3-5 (Combo Class) and 6+ and up (must be enrolled in Ballet AND Jazz, or a Ballet/Jazz combo class)

Acrobatic dance combines dance techniques with acrobatic elements, fusing them together choreographically so they are artistically intertwined and seamlessly executed. Our studio utilizes the Acrobatic Arts Syllabus to train the five key elements of Acrobatic Dance, Strength, Balance, Flexibility, Limbering, and Tumbling. The main focus of our acro class is to build strength, increase flexibility and balance, and to safely work through acro progressions. Acrobatic Dance is highly advantageous for increasing technique level for all other dance disciplines.

Hip Hop for students 3 and up

Hip hop is an upbeat style of street dance that focuses on several grooves, freestyle, and choreography. Hip Hop has its own set of foundations and techniques that make this style its own and carries with it a vast historical background involving many different cultural influences.

Technique and Progressions – Ages 8 and up (must be enrolled in twice a week ballet)

Technique and Progressions will focus on overall postural alignment and core stability. The class will consist of strengthening, conditioning, progressions, jumping, and turning.

Stretch Academy – Ages 7 and up

Stretch Academy will focus on flexibility, mobility, and postural alignment. The class will consist of yoga and pilates based movement utilizing the mUvmethod Stretch Academy program.

Discover Dancers – Walking to 2 Years

Discover Dancers is a class for dancing, singing, wiggling, and giggling! Students will explore movement through music and dance, to develop motor skills, rhythmic awareness, coordination, and balance in a safe environment. Through play-inspired movement your child will be working on developing physical skills, channeling energy, and stimulating imagination and creativity.

Tiny Tots – 3-5 Years

Tiny Tots is a combo class designed to let your dancers explore multiple genres of dance. Through play-inspired movement your child will be working on developing physical skills, channeling energy, stimulating imagination and creativity, and learning the fundamentals in styles such as Ballet, Jazz, Acro, Tap, and Hip Hop.

8/ Safety

With the safety of our families a number one priority, Ark Dance Academy is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please see our office staff who will happily assist you.

Ark Dance Academy takes no responsibility for any stolen or misplaced property on the studio premises, and we encourage our families to avoid bringing valuable items into the studio where possible. **All items such as shoes, water bottles, bags, outdoor shoes/boots, jackets, etc. should be labeled with your dancer's name.**

You will find within our enrolment paperwork a public liability/insurance statement. Please read this document carefully and sign it prior to the commencement of classes so you fully understand the rights and responsibilities of your family and our studio.

9/ Privacy

When you purchase or hire a product or service with Ark Dance Academy, the information we may collect from you includes your name, address, telephone numbers, email addresses, medical information and credit card or bank details. It may also include details of the products and services we provide to you as well as the status of your enrollment. We only collect information directly from our students or their parent(s)/guardian(s) primarily for the purpose of providing services and products to you and to administer and manage invoicing and debt collection.

We may occasionally use your information to promote and market to you information which we consider may be of interest to you unless you contact us and tell us not to do so.

We will never sell or pass on any of your information to third parties unless required by government authorities or in the event of debt recovery. Any information passed on will be done so with appropriate privacy and confidentiality protection. Information is stored securely in paper or electronic form and is accessible only by authorized personnel.

If you would like to know what information we hold about you or wish to update the information, or if you wish to be removed from all further direct marketing communications, please contact us.

10/ Exams

As a studio who values the growth and commitment of our dancers from all ages, it is our pleasure to offer exam work (Syllabus) to students in Ballet, Tap, and Jazz. This year, we will be inviting dancers to participate in Ballet, Jazz and Tap Exams, if said exams are merited and available for their class. We will inform you via email when we have more information, such as exam dates and costs.

Graded exams are typically held during the winter session, February-March, but may be moved to another session depending on several factors such as, preparedness, lack of entries, timing of other events, to name a few. Vocational exams, Intermediate Foundation to Advanced 2, are typically held in the late spring session, end of May to June. Vocational exams will also involve supplemental classes, once the regular dance season has ended, with an added cost to the dancer. Vocational examinees may also be required to travel to another city to complete said exam.

While exams are not compulsory, our syllabus, RAD - Royal Academy of Dance - is the most highly recognized ballet syllabus worldwide. If your child is considering continuing to dance vocationally as they grow older, we strongly recommend completing your RAD exams annually. CDTA – Canadian Dance Teachers Association has been in business for 75 years, is nationally recognized, and offers a strong foundation in both Tap and Jazz.

On a side note, our vast experience shows that formal exams present a unique opportunity for the children to display and take pride in how hard they work and are able to progress in their classes. Exams are valuable because they provide the development of strong technique, artistry, and quality of movement. Exams instill strong moral character, values, and a passion for excellence. Our exam students always find their exam experience to be uplifting, beneficial and rewarding.

13/ Attendance

Your child's attendance in class is particularly important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the dance routines we create, but they also impact the social and confidence-building principles we work hard to foster in each age group.

If you know that your child will be absent due to holidays/vacations, commitments, or school trips, please let us know in advance so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our admin team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

Unfortunately, we are unable to accommodate make-up sessions for students who miss classes but will make every endeavor to schedule a make-up class in the unlikely event that Ark Dance Academy needs to cancel a class.

14/ Social Media

Ark Dance Academy's Social Media Policy refers to all social networking sites, video/photo sharing sites, blogs, micro-blogs, wikis, podcasts, forums, instant messaging, and geo-spatial tagging (for example, Facebook check-ins). Please see below for our regulations regarding Social Media and feel free to contact our office staff if you have any questions.

15/ Odds and Ends

Pick up and drop off - Students should NOT be dropped off more than 15-20 minutes before their class time begins and picked up no later than 10 minutes after it ends unless previously approved by the office. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected. Students under the age of 11 will not be released from the studio without the accompaniment of a parent/guardian. If someone other than the parent/guardian is picking up your students, please let the office staff know.
